8:30- 3:30

LOCATION:
TBA

Instructor:
Serena Lewis

This interactive 40 hour workplace education program is offered to individuals who work with end of life/ grief care .

This program will support individuals & teams by strengthening communications skills for end of life care.

Topics will include:

- The context of dying, death & grief
 - Holistic care in action
- Family and Individual support through the process
 - Generational perspectives of dying/ grief
 - Grief: What more we need to understand
 - Caring for the Caregivers: Us & Them!

Space is Limited
